been further restrictions and changes, particularly in the prison where, in our state prisons, where we heard that there was going to be the most problem in banning smoking, the state prisons are currently in no smoking indoors, anywhere, at all times, by inmates as well as staff. So, if they could do it there and not experience all the problems that we had heard, I think that it can be done. At this point I, Mr. President and Mr. Clerk, I would withdraw this amendment.

SPEAKER KRISTENSEN: The amendment is withdrawn.

CLERK: Mr. President, Senator Bohlke would move to bracket the bill until Friday, February 26.

SPEAKER KRISTENSEN: I...I would accept the motion to bracket, if there's no objection.

SENATOR SCHMITT: I don't object to the bracket on the date set, so I would support Ardyce's bracket motion to Friday, February 25th (sic).

SPEAKER KRISTENSEN: Senator Bohlke, would.... I accept the motion for unanimous consent to bracket. Any objection? It is bracketed. LB 366.

CLERK: Senator, no E & R amendments. Senator Suttle would move to amend, Mr. President, AM0405. (Amendment appears on page 518 of the Legislative Journal.)
